Education

UG in Computer Science
Grace College of Engineering — 2021 - 2025

SSLC
Geetha matric higher secondary school — August 2018 - May 2019

HSC
Geetha matric higher secondary school — August 2020 - May 2021

Experience

User Experience Design Intern | Skillforge — 1May 2024 - 30June 2024

- Worked on designing intuitive user interfaces for multiple web-based projects
- Focused on enhancing user experience by simplifying navigation, improving site usability, and optimizing design for both desktop and mobile platforms.

User Experience Design Intern | POSTULATE — 8july 2024 - 8august 2024

- Designed and prototyped user interfaces for diverse web projects, including e commerce websites, car rental services, and e-learning platforms, ensuring a cohesive and engaging user experience.
- Conducted competitive analysis and user research to identify trends and user needs, which informed design decisions and improved overall usability.

Frontend Web Development Intern | Devskillhub — 26may 2024 - 26july 2024

- Developed responsive and user-friendly web interfaces for various projects, including e-commerce platforms, car rental services, and e-learning websites, using HTML, CSS, and JavaScript
- Collaborated with UX/UI designers to translate design mockups and prototypes into functional and visually appealing web pages.
